

RESOLUTION

II International Conference

“REAL ESTATE MANAGEMENT IN CORPORATIONS”

1. Deem it practicable for the Russian Ministry of Economic Development and for Rosreestr together with corporations to organize work on the verification of data compliance of cadastral registration and management of these corporations - legal owners of real property using the site of the Corporate Owners Club (CCO, Club).
2. Deem it appropriate for the Russian Federal Tax Service to organize a permanent working group with the participation of corporations using the site of the Club for discussion and for coordination of the provisions of the adopted acts governing the payment of property taxes.
3. Deem it necessary to develop a classifier of real estate objects.
4. Recognize the need for adoption of the draft of the federal law № 304493-5 “about seizure” in the current session.
